Seeking software engineering internships.

Education

University of California, Irvine   **Expected Graduation: June 2023**
- Informatics (Human Computer Interactions), B.S.
- Accepted into Campuswide Honors Collegium and received UCI Regents' Scholarship

Skills

Software Development   Python, Java, JavaScript, C++, HTML, CSS, React, React Native, SQL, git/GitHub
Utilities   Google Suite, Microsoft Office, Linux/UNIX, VMWare/VirtualBox, VNC/RDP, SSH, AWS EC2
Creative   Photoshop, Illustrator, Animate, Premiere Pro, After Effects, FL Studio, Ableton Live, OBS Studio
LinkedIn Certification   Top 5% in Python Assessment

Relevant Projects

Personal Website   **2022 - Present**
https://bruh.ninja
- Created a personal portfolio using Bootstrap, HTML, and CSS

Sucrose Discord Bot   **2020 - Present**
https://github.com/hi-im-andrew/Sucrose
- Created a multi-purpose Discord bot using Python and Discord.py API
- Features: Game data lookup from genshin.dev API, search endpoint for Danbooru imageboard software

Minecraft Server Hosting   **2011 - Present**
- Manually hosted countless 24/7 Minecraft servers (vanilla and modded) on a server rack running Linux
- Used SSH and FTP network protocols to access and transfer files between client and server
- Formulated bash scripts to ease the process of allocating a desired amount of RAM into servers

Experience & Extracurriculars

Nutripair   **Nov 2021 - Present**
Front End Development Intern   *UC Irvine*
- Used React Native to develop an app that aims to collect nutritional data from restaurants and pair them with users who have dietary restrictions
- Worked closely with app backend in order to collect user data and present query results in a easy to read format
- Integrated Mapbox SDK and Mapbox GL into the app to render custom maps on mobile

UCI Social Sciences Computing Services   **Jan 2022 - Present**
Student IT Help Desk Specialist   *UC Irvine*
- Provided technical support to UCI Social Sciences faculty for computers, devices, and other peripherals
- Configured routers and networking and provided troubleshooting for PCs and Macs in the department

Alpha Phi Omega   **Oct 2019 - Present**
Pledge Interchapter Secretary (Oct-Dec 2019)   *UC Irvine*
- A national service fraternity aimed to develop leadership, promote friendship, and provide service to humanity
- Contributed 30+ hours of service to community, campus, nation, fundraising, and fraternity
- Coordinated events with other schools' APO chapters as an Interchapter Secretary for the Alpha Nu pledge class

Valley Transportation Authority   **Jun 2018 - Jul 2018**
Environmental Health and Safety Intern   *San Jose, CA*
- Organized bus/light rail occurrence reports, safety equipment rentals, and shipments of safety vests to bus fields
- Recorded hazardous and non-hazardous waste manifests in Excel spreadsheets

Accomplishments

California State Seal of Biliteracy in Vietnamese   2019
California Scholarship Federation Life Membership   2019
Eagle Scout (with Bronze Eagle Palm)   2018
